SUMMARY

Operations professional targeting FP&A and investment roles, with a background managing a \$30M business unit across financial analysis, pricing, and reporting. Pursuing an MSF at SDSU while independently building financial models and analytics projects. I bring a strong work ethic, rapid skill development, and the professionalism to operate effectively at the executive level.

EDUCATION

San Diego State University

San Diego, CA

Master of Science in Finance (MSF)

Aug 2026 – Dec 2028

- Relevant Coursework: Corporate Finance, Financial Statement Analysis, Investments, Portfolio Management

University of California, Davis

Davis, CA

Bachelor of Science in Managerial Economics | GPA: 3.3

Sep 2015 – Dec 2019

- Honors: Dean's List Scholar | Activities: NCAA Division I Men's Soccer | Pi Kappa Alpha Fraternity

FINANCIAL MODELING & ANALYSIS PROJECTS

DexCom, Inc. (NASDAQ: DXCM) – Driver-Based DCF Valuation Model

Excel

- Built a 9 tab, 3-statement linked DCF from DexCom's 10K filings; derived WACC via CAPM and reconciled Gordon Growth vs. exit multiple terminal value methods via sensitivity analysis.
- Implied share price \$45.49 vs. ~\$89.75 market; documented beta judgment (1.45 vs. 0.75 outlier) and modeled Medicare reimbursement risk as a conservative forecast headwind.

Costco Wholesale (NASDAQ: COST) – Power BI Financial Performance Dashboard

Power BI

- Created 4 page interactive dashboard on FY2021–2025 Costco financials; star-schema data model, Power Query pipeline, and 15+ DAX measures covering margins, liquidity ratios, and leverage trends.
- Net margin 2.6%→2.9% on \$196B→\$275B revenue; liabilities-to-equity 2.3x→1.7x – balance sheet strengthening alongside sustained topline growth.

PROFESSIONAL EXPERIENCE

MTS (Mobile Technology Solutions LLC)

San Diego, CA

Business Operations Analyst

Apr 2025 – Present

- Own operations and quote-to-cash cycle for a \$30M ARR BU portfolio, supporting enterprise customers, sales, management, and vendors across reporting, pricing, procurement, account management, and logistics.
- Build Excel and NetSuite reports analyzing sales, forecasting, pricing, and budgeting – providing c-suite with visibility into business performance and operational trends.
- Selected Project — Fleet Replacement Cost-Benefit Analysis:**
 - Independently built a 5-year, 4-scenario financial model evaluating contract, repair, and replacement strategies for a 2,500 unit device fleet to support an anticipated \$10M ARR client decision.
 - Quantified \$2.4M in hidden productivity loss exposure (68% of total cost) in the lowest cost option vs. \$238K under full replacement, reframing the decision as a risk question.

ERP/CRM Administrator

Aug 2024 – Apr 2025

- Managed account operations, CRM/invoice management, and vendor coordination across the \$30M business unit in Excel and NetSuite; promoted to Analyst within eight months.

ConsultNet

Irvine, CA

Account Manager

Jan 2024 – Jul 2024

- Managed client portfolio for a technology staffing firm; tracked engagement and surfaced at-risk relationships.

Kantata

Irvine, CA

Enterprise Business Development Representative

Apr 2023 – Oct 2023

Mid-Market Business Development Representative

Nov 2021 – Apr 2023

- Built \$1.5M+ in new pipeline from the ground up; promoted to Enterprise BDR based on quota attainment.
